Call to order and introductions: Chairperson Lundell called the meeting to order at 5:03 pm.

Administrative Update:

- Approval of minutes: Motion by Havens; second by Clark to approve the April 19, 2017 minutes. Motion carried.
- WMAs of Iowa: Fencil described the formation of the statewide WMA group and the request to join. Board consensus was to join the WMAs of Iowa & appoint John Rathbun as the CCWC Board representative.

Clear Creek Watershed Planning Process Update (DNR grant):

- Fencil reported that the landowner survey advance letter and questionnaire are nearly ready to send out. Fencil distributed an updated plan budget and outline.

Iowa Watershed Approach (IWA) Update:

- Flood Resilience Team: Ashlee Johannes reported that Iowa Homeland will run flood risk assessments using a modeling tool for the entire watershed. The Flood Resilience Team will develop an interactive map to visualize flood damage in terms of both property and social costs (impacts to people).
- Hydrologic Assessment: Antonio Arenas presented information about best management practice mapping done through 2010. The Iowa Flood Center will use the ACPF tool to find good locations for additional practices throughout the watershed.
- Practice Implementation Process: John Rathbun presented working drafts of the project application, a ranking sheet to prioritize projects, and a project agreement outlining cost share other project details.
